

For rent Std. Cirrus + Car + Caravan

I'm offering full, racing ready, equipment for EGC.

Club class - Std. Cirrus

2 loggers - LX7000 Pro IGC, LX Red Box FLARM IGC, PNA Vertica V2, parachute, full tow out gear, 3kg in tail, ZigZag tape and aileron end plates on wing for better characteristics, new tinted canopy, closed trailer, outside anchoring possible.

Glider has got perfect soaring characteristic, and has been participating (succesfully) in many comp's in last years(JWGC, FCC's, Czech nationals, regionals).

I can rent it together with a car (combi) with tow hook, caravan (1-4 people), and helper. Everything ready at Moravska Trebova, or as requested.

Please contact me at pisky3@gmail.com for more info and pricing.

Martin Piskacek"
